Re: Assembly Point Aviation, Inc. v. Richmor Aviation, Inc. et al.
Civil Case No. 1:13-cv-00298 (FJS-RFT)
Status Report

Dear Magistrate Judge Treece,

I write to provide the Court with a status update in the above-referenced action. Since the date of the Rule 16 conference before the Court, the parties have negotiated and executed a confidentiality stipulation governing the designation and production of confidential information in this action, engaged in two rounds of document discovery, served and responded to interrogatories, and have engaged in discussions regarding scheduling the depositions of at least six witnesses during the months of December 2013 and January 2014. The parties have discussed and resolved some, but not all, of the parties' objections to discovery to date, and are presently working toward resolving the remainder without seeking court intervention. At this time, I do not anticipate needing an extension of the close of discovery provided in this Court's pretrial scheduling order, dated August 6, 2013 (Dkt. No. 23).

If the Court has any questions or concerns, please do not hesitate to contact me. Thank you for your consideration.

Respectfully submitted,

John J. Henry
